

NSVA MEETING Tuusula, Finland October 7-8, 2019

Dear Friends,

We warmly welcome you to NSVA 2019 two-day scientific meeting in Finland. We hope the meeting will be educational and provide a good chance to get new ideas in diagnostics and treatment of vascular anomalies and to have possibility for inspiring discussions.

*With kind regards
On behalf of Helsinki Vascular anomaly team*

*Päivi Salminen
Director of Rare vascular anomalies program
Helsinki University Hospital*

Meeting venue

The meeting will be held near Helsinki in Gustavelund, just fifteen minutes from Helsinki-Vantaa Airport (<https://www.gustavelund.fi/en>) and 30 minutes from Helsinki. Address Kirkkotie 36, 04310 Tuusula. Tel +358 9 273751, reception@gustavelund.fi

Preliminary Programme

The program will be updated along with your submissions.
We invite you to share your interesting cases, tips and tricks, experiences and patient series with specific topics:

- Diagnostic problems
- Genetics of vascular anomalies
- Endovascular, surgical and medical treatments
- Complications
- Miscellaneous/other

PROGRAM

Monday October 7, 2019

9.30 Registration, refreshments, coffee and tea

Session 1 Classification of vascular anomalies and update of VASCERN and VASCA

10.00 Welcome

10.15 Update on the ISSVA Classification (2018) of Vascular Anomalies
Dr Päivi Salminen, Helsinki University Hospital, Helsinki

10.30 Update on VASCERN and VASCA activities
Prof Miikka Vikkula, de Duve Institute, UCLouvain, Brussel

Session 2 Arterio-venous malformation
Chair Dr Pia Vuola, Helsinki

11:00 Cervico-facial AVMs – what changes in our treatment approach in 2019
Dr Annouk Bisdorff, Prof Benoit Faucon, Lariboisiere Hospital, Paris

12.00 Lunch

13.00 Helsinki approach to AVMs 2007-
Dr Kimmo Lappalainen, Helsinki University Hospital, Helsinki

13:45 Multimodal treatment of AVMs
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels

14:30 Refreshments, coffee and tea

Session 3 Clinical cases, tips and tricks
Chair: Kristiina Kyrklund, Helsinki

15:00 This session will be updated along with your submissions

Do you recognize CM-AVM?
Prof Miikka Vikkula, de Duve Institute, UCLouvain, Brussels

16:00 General Assembly

Tuesday October 8, 2019

Session 4 Clinical Pharmacology
Chair: Dr Päivi Salminen, Helsinki

9:00 Translational research and personalized medicine
Caroline Heckman, PhD, FIMM

- 10:00 Pharmacogenetics
Prof Mikko Niemi, Helsinki University, Clinical Pharmacology
- 11:00 Refreshments, coffee and tea
- 11:30 Safety profile and side effects of sirolimus
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels
- 12:00 Long term experience of bleomycin in oncology
Dr Rita Janus, Helsinki University Hospital
- 12:30 Lunch
- Session 5 Clinical cases, tips and tricks, controversies and complications
Chair: Kristiina Kyrklund, Helsinki
- 13:30 This session will be updated along with your submissions
- 14:30 Differential diagnoses of vascular anomalies
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels
- Clinical cases, tip and tricks
Controversies and complications
- 15:45 Closing

Case presentations

We wish participants to bring and present difficult or interesting cases at the meeting.
Instructions for case presentations

- please inform NSVA secretary Eeva Castrén eeva.castren@helsinki.fi at the time of registration or latest 15.9.2019 if you want to present a case
- please prepare a Power Point presentation max 5 min, max 5 slides, please prepare 1-3 questions to the audience in advance, 10-15 min discussion for every case. Please remove all patient identification data from your presentation.

Registration

Registration by email to eeva.castren@helsinki.fi
